## President's Message

Happy Fall Society Members!

I am so happy to be writing to you as we are preparing for our reopening of the museum in October and with hall usage rentals beginning this September! Though we may not be out of the pandemic completely, we are making strides in returning to pre-pandemic activities.

The summer was busy for the Board and volunteers, as the building was scrubbed, washed, floors polished, chandeliers cleaned, it was an intensive labor of love for the building and for the preservation of the history of our heritage of Temple City.

I have enjoyed serving as your President and feel that we have maintained the Society and the assets of the Society with the utmost fiduciary responsibility over the last three years. We have ensured the building is maintained and made progress in ensuring that we foster relationships with our community partners and continue to build upon our relationships. We have worked in conjunction with the Woman's Club of Temple City to preserve the long standing relationship with the two organizations. It is with a heavy heart that when asked about returning to an Officer position for the 2023-2026 term, I have declined. I am looking forward to seeing the great progress we have made, be carried on with new eyes and vision to continue to ensure the Society is progressive and grows.

The current nominating committee has worked hard to determine a slate for the October general meeting and grand reopening of the museum. The role of Secretary remains open, and I would encourage all to throw your name in for this opportunity. As a non profit organization, it is a rewarding role to be a pivotal part of a much needed role.

## President's Message - Continued

I look forward to seeing you at the October 9th General Meeting and at the November 19th Hometown Harvest Dinner Fundraiser.

Rachel La Sota  
President

*Thank You*
